## Holistic Advisor and Licensed Esthetician

**Robin Ball**

Licensed Esthetician, Consultant.  
Medical Assistant

“Balance of Nature Antioxidant Serum, from the Smooth Fusion® skin care line, has all the renowned ingredients which have been proven to slow down the aging process, minimize wrinkles and regenerate skin cells. This moisturizer floods your skin with essential fatty acids and vitamins and leaves your skin feeling extremely moist, soft and youthful.”

“I blend the Nutricare Plus Pure Emu Oil and Balance of Nature Antioxidant Serum together on my fingertips to make a cocktail moisturizer and my skin looks and feels great! My client's and I love these products! They will keep your skin looking younger without paying enormous prices. "I recommend these products to everyone wanting smoother younger looking skin and wrinkle reduction.”

“As a professional Licensed Esthetician and Medical Assistant, I have used many quality skincare lines over the past seven years. I discovered Triple Refined Pure Emu Oil after seeing it on Oprah and found it to be the most intense moisturizer I have ever used. Then I found Nutricare Plus Pure Emu Oil which is exactly the same Pure Emu Oil "seen on Oprah" but at a fraction of the cost!”

Pure Emu Oil is considered the best carrier oil (transdermal through all seven layers of skin). When Pure Emu Oil is applied first and then the antioxidant serum. The Pure Emu Oil will bring the nutrients of the antioxidant serum into the derma layer (the third layer of skin).

## Burnicure® Antioxidant Serum

Burnicure is effective in reducing scarring, relieves itching, reduces inflammation and irritation from surgical scars, physical burns, radiation burns, sunburns, tattoo aftercare, darkening of the skin, and stretch marks.

Burnicure relieves the itching, reduces inflammation, and irritation due to rashes, allergic reactions, and other skin problems such as eczema, psoriasis, hives, bug bites, poison ivy, poison oak, and poison sumac and other inflammatory dermatitis conditions and more. Burnicure restores the vitamins and fatty acids which re-hydrate the skin and bolsters the production of collagen and elastin with a unique regenerative effect. Burnicure is a highly effective organically made premium quality skincare product with no heat and is non-toxic.

Burnicure's unique proprietary blend has a rich healing combination of organic nutrients, plant extracts, and vitamins A, C and E derived from organic oils and organic Native American herbs. This translates to a formula which reduces inflammation, redness, relieves itching and accelerates new skin cell production with a soothing moisturizing effect on the skin.

Pure Emu Oil is suggested as a base for its transdermal qualities that allows Burnicure's rich healing blend of nutrients, plant extracts, and vitamins A, C and E to have deeper penetration into the skin. Pure Emu Oil has cooling and antibacterial properties. The cooling effect of Pure Emu Oil can help in pain relief and antibacterial properties can keep the bacteria off the burned area.

Organically Made: Burnicure's unique proprietary blend of Organic Grape Seed oil, Organic Rose Hip oil, Organic Sweet Almond oil, Pure Emu oil, Organic Jojoba oil, Organic Aloe Vera oil, DMAE, Alpha Lipoic Acid and organic Native American herbs infused into Organic Olive and Organic Apricot oil with vitamin E; scented with Organic Lavender Oil.

Note: Organic Aloe Vera oil is derived from Glycine Soja (Organic Soybean Oil), Organic Aloe barbadensis (Aloe Vera) Powder, and Tocopherol (Vitamin E Oil)

2oz/60ml plastic dropper bottle \$28.00  
Product Number NCP 058

Caution:

Many methods of caring for a burn can cause more damage when the severity is second or third degree

## Shirley Wood, Esthetician to the Hollywood Stars

*Now you too can enjoy the soothing and refreshing rejuvenation experience and have*

**"Skin that loves to be touched"™  
by Smooth Fusion®**

"I am certainly recommending the Nutricare Plus Pure Emu oil, the Smooth Fusion™ line of antioxidant serums and antioxidant herbal creams for skincare to all my clients in both Hollywood and throughout the world."

Shirley Wood has spent her life's journey creating softer, firmer, younger looking faces. Ms Wood for 16 years was a staff Esthetician to the Hollywood stars while she was working for Warner Brothers in Burbank, CA consulting with makeup artists and hair stylists. She also was a consultant for prestigious salons in both Beverly Hills and Sherman Oaks, California where she provided esthetic consultation to many famous actors and actresses too numerous to mention.

At age forty Ms Wood opened a rejuvenation clinic in partnership with Dr. Rothschild where she learned the German Methods of maintaining the youthful appearance of skin. Ms Wood now 76 years young at a recent checkup was told by her doctor that she had better skin than most sixty year olds in his care. Since childhood she has been interested in the Traditional Native American methods of skin care. Ms Wood, a Native American, has an organic and natural approach to skin care using only wild grown organic herbs to create her own oils and creams.

"I tried the Nutricare Plus Emu oil followed by the Smooth Fusion® line; Balance of Nature antioxidant serum and creams. After two weeks I was convinced that my skin had turned to satin. The derma layer had actually taken on a softer and smoother. The derma layer had actually taken on a softer and smoother texture."

## Balance of Nature Antioxidant Serum

By the time we reach age fifty our skin produces ten times less oil than when we were twenty-five. Lack of oil and depleted moisture lead to dehydration and wrinkling of the skin.

"If we live in a southern climate, we age ten years faster than someone that lives in Michigan or Maine, so we need to take care of our skin as much as we can."

Balance of Nature Antioxidant Serum contains a rich blend of nutrients, plant extracts, vitamins A, C and E that restore the optimal balance of vitamins, fatty acids and oils which re-hydrates the skin with a unique regenerative effect, reducing fine lines and wrinkles overnight while showing a noticeable difference within 30 minutes.

The problems of "crows feet" and medium size wrinkles will be reduced in appearance in days and deep wrinkles diminish in weeks after applying this antioxidant serum twice daily.

- All natural and organic ingredients
  - Increases skin tone, firmness, younger appearance
  - Diminishes fine lines in days; larger wrinkles in weeks.
  - Tightens facial and neck skin-less sagging and wrinkles
- Reduces acne scarring, pigmentation on the skin and body
  - Most advanced natural anti-wrinkle reducing oil.

Pure Emu Oil is considered the best carrier oil (transdermal by itself through all seven layers of skin). When Pure Emu Oil is applied first and the antioxidant serum. The Pure Emu Oil will bring the nutrients of the antioxidant serum into the derma layer (the third layer of skin).

## Jojobas Shield Hands, Nails & Hair Treatment

Organic Jojoba Oil, Organic Sweet Almond Oil and Pure Emu Oil when mixed are fully absorbed into the your hands and fingernails within a seconds if not minutes if you have oily skin. Effective in the removal of hair when waxing or shaving. Nourishes and strengthens nails, soften brittle cuticles. This exciting combination recognized in cosmetics for its ability to nourish palms and smooth out dry skin so you can keep your hands healthy and beautiful.

### Waxing & Shaving

Use some of Jojobas Shield before and after waxing or shaving will surprise you with the ease and comfort that Jojobas Shield brings to this process. Because Jojobas Shield contains Jojoba oil a liquid wax it enhances the hair to wax bonding, and lubricates the follicles to ease hair removal.

A few more drops Jojobas Shield with Jojoba Oil after waxing or shaving will soothe **you and prevent ingrown hairs by keeping the follicles soft.**

### Manicures

Use our Jojobas Shield Hands, Nails & Hair Treatment for your manicure. Other oils have to be removed from the nails by solvents before applying polish. Not so with Jojobas Shield Hands, Nails & Hair Treatment. It rapidly penetrates the nail and does not repel nail polish, unlike other oils. A few drops of Jojobas Shield massaged into the hands and nails after washing dishes or laundry will make a real difference.

The inbuilt antibacterial properties of Jojobas Shield Hands, Nails & Hair Treatment Jojoba Oil and Pure Emu Oil contributes to its effectiveness in helping to alleviate brittle skin. Ingredients: Organic Jojoba oil, (cold pressed), Pure Organic Sweet Almond oil, (cold pressed), all natural Pure Emu oil, (fully refined). NCP Jojoba's Shield Hands, Nails & Hair Treatment

## Nutricare Plus Pure Emu Oil

Pure Emu oil gives skin a healthy youthful appearance, stimulates collagen, brightens complexion, plumps up fine lines, is generally used over several months to reduce age spots and increases

the skin by 2.5 times while re-hydrating antioxidants several layers into the skin.. It reduces swelling, relieves post-menopausal dryness, carpal tunnel syndrome, neuropathy, eczema, psoriasis, scars, sore muscles, bruises and a wide range of body needs. It is a non-irritating, deep penetrating, anti-inflammatory. It will not clog pores and is highly moisturizing without leaving the skin feeling oily or greasy.

Nutricare Plus Pure Emu oil is 100% all natural, odorless, creamy white with Vitamin E and certified by the American Emu Association at a state approved processing facility in the USA for the cosmetic and dietary supplement industry. Nutricare Plus Pure Emu oil is processed with physical refining by removing all contaminants that are harmful and keeps the oil from separating into two layers. Physical refining is clearly accepted as the best all natural oil process available in the food industry.

## Organic Jojoba Oil

The versatility of jojoba as a highly; effective ingredient for body care is still to be discovered by most people. We are confident that once you have used jojoba, you will recognize it as the worlds finest multi-functional cosmetic oil and become one of the growing number of people to whom Nature's centuries old secret has been revealed. Scientific, clinical and cosmetic studies worldwide have demonstrated that jojoba oil is successful in treating dry, flaky skin, swelling, redness and skin problems such as psoriasis and eczema. Organic Jojoba Oil aids in the relief of minor skin irritations, dry skin, scaling, redness and itching of psoriasis, eczema and dandruff. Jojoba also has a built-in-antibacterial property that makes it especially useful in cases of skin infections such as acne. Tests over many years have shown jojoba to be safe and non-allergenic.

Organic Jojoba Oil is a pure, cold-pressed, organic treatment for both women and men. A regular scalp massage will ensure clean, open pores for the passage of new hair, and ensure that existing hair remains supple and full bodied. Organic Jojoba Oil may help prevent unnecessary hair loss for both Women and Men.

## Microdermabrasion Crystals

We are now offering the astonishing new skin care product that is sought after by millions of consumers. Micro-dermabrasion Crystals are for home users who wish to perform their own dermabrasion treatments.

These are the exact same crystals being used in micro-dermabrasion units that are located in your nearest Doctor's office, spa or salon. You simply add these crystals to your own body wash, shower gel, facial cleanser, liquid soap, cream, or lotion for an all-over body exfoliation. Our medical grade crystals have also been filtered to obtain our 99.78% purity percentage. The oxide shell does not allow aluminum to touch your skin. It is impermeable and can only be separated with acid. 99.78% Pure Aluminum Oxide, Medical Grade.
